

THE UNIQUE COLLECTION APPOINTED TO MANAGE ABSOLUTE SANCTUARY “THAILAND’S PREMIER DETOX & YOGA RESORT”

The Unique Collection of Hotels & Resorts is pleased to announce the latest addition to the group with ABSOLUTE SANCTUARY, Thailand’s Premier Detox & Yoga resort.

Absolute Sanctuary, a Moroccan inspired boutique wellness resort specializing in Detox, Spa & yoga programs on Koh Samui has signed a management agreement with Unique Collection.

One of the upcoming foreplayers in the wellness resort arena, ABSOLUTE SANCTUARY is part of Absolute Yoga Group which owns and operates 7 yoga studios in Thailand & 3 in Singapore.

ABSOLUTE SANCTUARY started off as a vision of its founder Benjaporn Karoonkornsakul. Having run the Absolute Yoga group of studios since 2002, the founder through her own Detox experience found that Detox & yoga could go hand in hand enhancing not only one’s wellbeing but also yoga practice thus starting a passion for wellness & holistic living. ABSOLUTE SANCTUARY brought together her passion for yoga and for detox & wellness into a beautiful, boutique resort in Koh Samui.

The 7 rai resort, features 38 stylish Moroccan-inspired rooms, a world class Detox center with 7 modern colon hydrotherapy rooms, a Yoga Center featuring 2 beautiful studios with Jungle & Sea views offering a wide variety of yoga classes including Hot Yoga, a Spa Center with indoor & outdoor massage areas featuring holistic spa treatments, a Spa cuisine restaurant featuring healthy yet tasty meals , an infinity edge pool with juice bar , Mini Theatre/Conference room, Steam Room & Far Infrared Sauna.

THAILAND'S PREMIER DETOX & YOGA RESORT

With the management of Unique Collection, Absolute Sanctuary hopes to work closer towards its mission of helping guests re-fuel with good energy, exquisite nutritious cuisine and healing body therapies.

ABSOLUTE SANCTUARY is the first property to be part of Unique Collection's newly launched Health & Wellness Collection. The Health & Wellness collection was created as a new sub branch to the group as CEO Mr Peter Kaelli believed that health & wellness are both fast growing segments in the market. Mr Kaelli elaborates: "We recognize that there is an increasing trend towards health & wellness holidays, with more travelers seeking for wellness resorts. Thus we decided that we would create this new sub branch to cater to this need, encompassing the wide fields of both health & wellness"
